Application No. 10/724,078

Docket No.: 20665-00025-US

REMARKS

Claims 2-5 are pending in the application. Claim 4 and claim 5 were previously withdrawn; and claims 2 and 3 have been amended by way of the present amendment. Reconsideration is respectfully requested.

In the outstanding Office Action, the election of group I was acknowledged; Figures 9-10 were indicated as needing a designation, such as "Prior Art"; the drawings were objected to because they were improperly labeled; claims 2 and 3 were rejected under 35 USC Section 112, 2nd paragraph, as being indefinite; and claims 2 and 3 were indicated as allowable if rewritten or amended to overcome the rejection(s) under 35 USC Section 112, 2nd paragraph.

Allowable Subject Matter

First, Applicants would like to thank Examiner Strimbu for contacting Applicant's representatives and proposing an Examiner's Amendment that would place the case in condition for allowance in the attached e-mail of January 18, 2006. Though Applicants were not able to approve the Examiner's Amendment before the outstanding Office Action was issued, Applicants would also like to thank Examiner Strimbu for the early indication of allowable subject matter in the outstanding Office Action. To that end, Applicant has implemented the proposed Examiner's Amendment in this response. Thus, Applicants respectfully submit that claims 2 and 3 should be allowed.

Drawings

FIG. 9 and FIG. 10 were indicated as needing a designation, such as "Prior Art." In addition, the drawings were objected to because they were improperly labeled. In response to the above objections, the attached 8 Replacement Sheets of drawings (FIGS. 2(A) – FIG. 7(C) and FIG. 9(A) – FIG. 10(C)) are submitted herewith. FIG. 1; FIG. 2(A) – FIG. 7(C) and FIG. 9(A) – FIG. 10(C) were amended to properly label the drawings. FIG. 9(A) – FIG. 10(C) were amended to include the legend "Background Art." In view of the 9 Replacement Sheets filed

Application No. 10/724,078

Docket No.: 20665-00025-US

herewith, Applicants respectfully submit the outstanding drawing objections should be withdrawn.

112 Rejections

Claims 2 and 3 were rejected under 35 USC Section 112, 2nd paragraph, as being indefinite. Claims 2 and 3 were amended in accordance with the proposed Examiner's Amendment to overcome the rejection. Therefore, it is respectfully submitted that claims 2 and 3 are allowable.

Conclusion

In view of the above amendment, applicant believes the pending application is in condition for allowance.

Applicant believes no fee is due with this response. However, if a fee is due, please charge our Deposit Account No. 22-0185, under Order No. 20665-00025-US from which the undersigned is authorized to draw.
